Bring your mountain bike and you can cruise on the existing fire roads on Orosco Ridge, or up towards Black Mountain. Or share a ride in an appropriate vehicle (4WD) up to Black Mountain or other accessible fire roads. Potential for about 8-10 miles of fire road ride - uphill out and all downhill back to valley floor but can be cut shorter at anytime really.

Let us know here if you have an appropriate vehicle and would be willing to caravan others around the area.

Bring water and snacks. Bring all bike equipment required for a comfortable and safe ride.

Light snacks provided by SDMBA after exploring.
