Invitation to Exhibit

University Aviation Association is the oldest and most recognized collegiate aviation association with almost 500 members in the US and internationally in 9 countries. We are pleased to invite you to participate in UAA's 71st Annual Collegiate Aviation Conference & Expo. The conference and expo, hosted by LeTourneau University, will be held September 26-28 at the The Westin Dallas / Fort Worth Airport Hotel in Dallas, Texas

The conference is the premier gathering place for college and university educators and innovators and will showcase programs focusing on the collegiate aviation industry. It will include presentations from government agencies and university professionals, research-based programs, safety professionals, and those committed to best practices in aviation education in the college and university environment.

Attendees include administrators, professors, faculty, and students across the disciplines of flight education, professional pilots, aviation maintenance, ATC, dispatch, in flight, maintenance management, avionics, engineering, safety, unmanned aerial systems, aviation studies, airline and airport management. This conference is a tremendous opportunity for you to meet and reach out to leaders who are on the forefront of improving the quality of aviation education. Exhibitors and participants will have the chance to network during 9 separate breaks/receptions throughout the three day event.
