*Ride the bridge, Bike the Bay! Pedal around the San Diego Bay on August 26, 2018 and enjoy your only opportunity to ride across the San Diego-Coronado Bay Bridge. This non-competitive community bike ride is for riders of all abilities and will take you on a scenic, and primarily flat, ride around the San Diego Bay via the Bayshore Bikeway. Along the way, riders will travel through the surrounding cities of Coronado, Imperial Beach, Chula Vista and National City before finishing back at the start/finish line at Embarcadero Marina Park in downtown San Diego.*

*\*NEW Off Road Option\* This year we are excited to offer an additional gravel loop option on our route. This optional 8 mile Gravel Loop is hosted by the San Diego Mountain Biking Association! Mountain bikes, hybrids and gravel bikes recommended for this fairly flat 8 mile extra credit loop that jumps right off the Bayshore Bikeway at the west end of Main Street in Chula Vista. Enjoy the trails of Otay River Valley Park before coming back and jumping back on the Bayshore Bikeway towards the finish line.
