*Walk with Autism – Share the Journey*

*The Walk with Autism is an uplifting, hopeful event focused on bringing the autism community together to celebrate the diversity found on the spectrum. At the Walk, participants will be surrounded by individuals, families, and community members with a personal connection to autism. Connecting families with supports, services, and resources is what the Autism Society of Colorado has been doing for over forty years and we appreciate your support of these efforts to improve the lives of all affected by Autism.*

*Don't miss this year's event at Sloan's Lake Park in Denver, Colorado on June 11th, 2017.*

*Registration is free, but fundraising is encouraged!*
