The Early Childhood Education Summit provides early care and education practitioners, parents and advocates from across the early learning and school-age spectrum – Childcare, Head Start, Early Intervention, Pre-K Counts, Home Visitation, and School Districts – an opportunity to dialogue and learn while building a stronger early learning community. The program includes more than two hundred workshop sessions, inspiring keynotes, and opportunities for personal and professional growth. Attendees can not only acquire new information, but can also connect with colleagues and enhance relationships with others in the early childhood field.
