One of our favorite volunteer events

Thank you for your willingness to serve and volunteer with Clark County Food Bank.

Your participation truly contributes to our vision of alleviating hunger and its root causes.

We've done this volunteer event a few times and it has been a blast!

Every day at the food bank, they sort through thousands of pounds of donated food.

They need volunteers to help sort through and inspect donations, repack bulk food into smaller packaging, and even drive and deliver truckloads of food. Volunteering to sort and repack food is a perfect opportunity to serve for both individuals and groups.

Please email Laura Yocabel-Dibble to save a seat and fill out the attached Volunteer Registration Form and bring with you on the day of the event.
