Apprenticeship Programs in KY & TN Webinar

GoToWebinar

12:30 PM - 01:30 PM EST

This webinar will feature speakers Heather Stevenson (Workforce Development Director for Kentucky Rural Water Association) and Kevin Byrd (Workforce Development Director for Tennessee Association of Utility Districts) as they discuss apprenticeship programs for utilities in both Kentucky and Tennessee. The conversation will include information on the Department of Labor requirements for an apprenticeship program, how each speaker's apprenticeship program is structured, benefits and incentives for participating, and more!

Please register both on this website and on GoToWebinar to enable CE tracking!

- May 22, 2024

Collections Workshop - Innovative Ideas

WKU Alumni Center

All day

May 24, 2024

2024 Tennessee Spring Clay Shoot

All day

Join us for an action-packed event hosted by the KY/TN Student Committee to raise money for KY/TN Section AWWA and CWP-KT student chapters at seven universities across the region. In addition to funding scholarships, proceeds from this event will help students host local outreach events, participate in design competitions at ACE and WEFTEC, as well as attend the 2024 KY/TN Water Professionals Conference in Louisville, KY.

September 8, 2024
- September 11, 2024

Water Professionals Conference 2024
Kentucky International Convention Center (KICC)
221 S. 4th Street
Louisville, KY 40202

All-Day

admin@kytnwpc.org

Each year, the Kentucky/Tennessee American Water Works Association (KY/TN AWWA) and the Clean Water Professionals of Kentucky & Tennessee (CWP-KT) join forces to present the largest conference in Kentucky and Tennessee for water professionals, the KY/TN Water Professionals Conference (WPC). Join us this year in Louisville, KY, for unparalleled content, networking experiences, hands-on professional development, and more!
