Presentations will cover a range of topics which include, information on the Revised Statutes of Missouri (RSMo), caselaw updates, Sex Offender Registration policies and procedures, Department Of Corrections (DOC) electronic monitoring, SOR system entry and overview, a demonstration of the new Missouri Sex Offender Registry System (MoSOR), and a variety of other insightful presentations.

The conference is designed to be inclusive of criminal justice agencies with a vested interest in the Missouri Sex Offender Registration process. POST credit hours will be offered to sworn law enforcement personnel. Continuing Legal Education (CLE's) will be offered to licensed individuals with the Missouri Bar.
