Epic Europe Bike and Hike
Salzburg, Austria (tour begins and ends in Salzburg)

James Knight, (734)478-0424
jwknight@umich.edu

If you love biking and hiking, here is your chance to cycle and to hike in one of the world's most beautiful areas - the Austrian and Italian Alps. If you love alpine hiking and enjoy a fine lunch on a stunning deck at high altitude mountain huts: this trip is for you. We will spend quality hiking time - 3 full days each – in 4 magnificent valleys in the Alps: Kaprun Valley in the High Tauern National Park, Salzburg province and the Zillertal and Stubai Valleys in Tirol province, Austria, and in Cortina, Italy in the heart of the famous Dolomites.

We'll also have 17 stupendous riding days totaling 650 miles on a network of well marked, well used and often off road bikeways on a counter-clockwise tour starting and ending in Salzburg Austria. We'll ride south and west through the Alps then south through the famous Brenner Pass into the South Tirol region of northeastern Italy and the stunning Dolomites, then continue south down through the Alps foothills into the warm olive and wine growing region of the Veneto. We will have a full day to explore Venice using the frequent train service into Venice from Treviso (Little Venice), our home for 2 nights.

We'll cross the busy Veneto plain by train to connect with the Alpe Adria bikeway and ride into the heart of the Julian Alps. We have a choice day to ride into Slovenia, then we will leave Italy and descend into the warm lakes region of Carinthia province, Austria.
