WILDlings Event Series - Top Tips for Managing People

London Metal Exchange

10 Finsbury Square

London, EC2A 1AJ

06:00 PM - 08:00 PM GMT

Join us for the very first WILDlings event of 2019, where we'll be focusing on the opportunities and challenges that arise when taking on a managerial role.

Taking on managerial responsibility can be a difficult journey to navigate in the workplace. How can you balance your own workload with that of your team? What should take priority? How can you be a friendly and approachable manager without crossing the line? And what if you don't think people management is for you?

We'll be discussing all these questions and more in one of our interactive WILDlings sessions targeted to women at the earlier stages of their career, but open to all.

An e-vite with full event & guest speaker details will be hitting your inbox in the next week!
