Paul LaRue was dedicated to promoting the sport of archery. Every year we celebrate his life by hosting a tournament in his honor. All proceeds from the tournament and concessions are donated directly to a charity.

This year we are teaming up with The Pink Arrow Project. This is a charity run by an amazing young lady who is working with Pro Archer Jesse Broadwater to raise money for cancer research. Each year they select a charity dedicated to finding a cure for cancer. All monies donated go directly to funding research, not paying overhead.

We will be having our annual tournament on October 6th, 2018. It will be a 1-Day Safari style tournament & raffle. The club donates all monies received directly to the charity, we do not deduct anything for our cost to put on the tournament.
