2020 Water / Wastewater Intermediate / Advanced School
Embassy Suites Conference Center
admin1@rmwea.org
Embassy Suites Conference Center
4705 Clydesdale Pkwy
Loveland, Colorado 80538
July 20 - July 24,, 2020
New Dates!

New location: Intermediate/Advanced School now takes place at the Embassy Suites in Loveland, CO. The hotel is located off I-25 (Exit 259) and Clydesdale Parkway. If you are staying at the Embassy Suites, breakfast and a Manager's Reception in the evening will be included in your room reservation. To reserve a room, call 970-612-2440 or go

to https://embassysuites.hilton.com/en/es/groups/personalized/F/FNLESES-RIA-20200405/index.jhtml?WT.mc_id=POG Make sure to use the code RMWEA

Intermediate/Advanced School in order to receive the discounted sleeping room rate.

Fees -

Water Intermediate - \$450 (after March 16, \$500)

Water Advanced - \$450 (after March 16, \$500)

Wastewater Fundamentals - \$450 (after March 16, \$500)

Wastewater Advanced - \$450 (after March 16, \$500)

Lunches and Course Notebooks can be included for an additional fee. (Note that a course flash drive is included with registration which includes all materials presented during the week. A Course Notebook is a printed version of the material presented and found on the flash drive. Additionally, a folder with need to know information and scratch paper is provided with the flash drive to all registered attendees.)

**Scholarship options are available (deadline to submit is March 27, 2020) - Scholarships covering the tuition for one course of study in the Intermediate/Advanced School will be awarded to applicants employed by a town or municipality water or sewer district serving fewer than 3,300 residents within the Rocky Mountain Region. (CO, NM, WY) Scholarships will be reviewed and awarded based on size of community served, location, and level of certification required for that entity by the scholarship review board. Link to Scholarship Application Form*

The Intermediate/Advanced School offers courses designed to furnish established operators with information to better understand treatment processes and perform their duties in an ever-changing environment. Approved Training Units (TUs) for the courses will be available on the website.

*** By taking this course, you will meet the APPROVED REGULATORY REQUIREMENT for Colorado ***
