2019 Fall Technology Transfer Seminar
Sheraton Eatontown
6 Industrial Way East
Eatontown, NJ 07724

As you are aware the NJWEA Tech Transfer Seminar is a major event on our industry's calendar. The March 2019 Seminar was attended by 1,100 water quality professionals.

In addition to the 23 technical sessions, tabletop exhibits will offer our supporting Manufacturer Representatives and Professional Firms the opportunity to meet with you and bring you up to date on new products and services.

The accommodations, food and hospitality are expected to be an outstanding backdrop for a technical program that is unsurpassed in it's variety and technical excellence.
