June 4, 2019
- June 7, 2019

WEF Collection Systems Conference
Indiana Convention Center

This conference is held by the Water Environment Federation (WEF) in cooperation with the Indiana Water Environment Association (IWEA) and The Water Research Foundation.

June 7, 2019

16th Annual Golf Outing
Links of Carillon

10:00 AM

The 16th Annual IWEA Golf Outing will be on Friday, June 7, 2019 at the Links of Carillon in Plainfield, Illinois. Golfing will be followed by drinks, appetizers and awards. This event is an excellent opportunity for members to get together and for businesses to market their company through hole sponsorship, interact with other professionals and meet potential clients. All proceeds will benefit the the IWEA Scholarship Fund.

Both Sponsors and Attendees can register by clicking the "Register for this Event" button below.

September 17, 2019

Nutrient Removal & Recovery Workshop
Medinah Shriners

550 North Shriners Drive
Addison, IL 60101

Brett Garelli,
garellib@mwr.org

Each year, cosponsored by the Illinois Association of Wastewater Agencies (IAWA) and the Illinois Association of Water Pollution Control Operators (IAWPCO), NRRC hosts a workshop in September to discuss the latest developments in nutrient removal and resource recovery. The workshop is composed of a keynote address delivered by a well-respected professional in the arena, regulatory updates, and case studies presented by POTW representatives to discuss their experiences in operating nutrient removal facilities.

Information regarding the 2019 event will be available by August 1.

Coming Soon

LIFT Innovative Technologies Tour

Bookwalter Woods

16 Cambridge Drive

Gardner, IL 60424

10:00 AM - 02:00 PM CST

Nina Kshetry,

nina@ensaras.com

The IWEA LIFT Committee has planned an Innovative Technologies Tour of Algaewheel® Technology on Thursday, May 9, 2019 from 10am to 2pm in Gardner, IL. The event will include an overview presentation of the project and technology, a tour of an Algaewheel® Facility, followed by a networking lunch. Attendees will qualify for continuing education credits (1 TCH or 1 PDH). This event is free to attend thanks to our event sponsors OneWater Inc. and Gasvoda & Associates, Inc. For more details about the event, please click on the link below:
