## **Empowering Growth: Building Coaching and Mentoring Cultures for Leadership Success**

**Technology Center at Innovation Park - Room 243**

**200 Innovation Boulevard**

**State College, PA 16803**

02:00 PM - 04:00 PM EST

*Happy Holidays everyone! To help get the chapter rebooted we are offering this complimentary educational session. Consider it our gift to you this holiday season! Please join us for this session and share with anyone who is not a member, but may be interested in joining next year. We are excited to get back to our normal flow of meetings now that we have a board in place to help drive things forward. Location may change! Registration is required even though it is no cost. This is a great opportunity to earn credits towards recertification.*

### *Session Overview*

*Leadership development is no longer just about managing tasks—it's about unlocking potential through mentoring and coaching. In this combined session, HR professionals will explore the interconnected roles of coaching and mentoring in creating high-performance, inclusive workplaces. By empowering leaders to become mentors and coaches, organizations can drive personal and professional growth while fostering an environment where all team members feel valued, supported, and equipped to succeed.*

*Approved for 2 SHRMP PDCs and HRCI credits are pending*

*Registration starts at 1:30 PM and Session runs 2:00-4:00*

*Speaker: Angela Hummel*

*An experienced Talent Development and Human Resources Leader with a passion for leadership development, Angela has served in both director- and executive-level roles in multiple industries, including healthcare and banking. She enjoys helping individuals and organizations reach their full potential through coordinated learning, development, and change initiatives and runs her own coaching and consulting practice based in Northumberland, Pennsylvania.*

*Angela holds certifications in Talent Development (CPTD), Human Resources (SHRM-SCP and SPHR), Coaching (RCC and CBC), and Virtual Facilitation (CVF), earned a Bachelor of Science Degree in Secondary Education and a Master of Arts Degree in Communication Studies, both from Bloomsburg University, and completed a Graduate Certificate in Organization Development and Change with a Consulting Focus from Penn State University. Angela uses several assessments in her practice and is certified in DiSC and 5 Languages of Appreciation at Work.*

*Angela was named to the 50 to Follow Women-Owned Business list (2021) and was awarded the Leadership Susquehanna Valley Guy Temple Award (2014). She was honored with the Athena Leadership Award in 2016 and has a commitment to serving leaders in our local community and beyond.*

*Angela serves on the local board for the Susquehanna Human Resources Association and is currently the President Elect. Angela is also Director of Media Relations for the Pennsylvania State Council of SHRM. She joined national SHRM as an instructor in 2024 and will begin facilitating virtual and in-person courses in Spring 2025. She currently serves as the board chairperson for the Getting Ahead Foundation and is also a board and executive committee member for the Susquehanna Valley United Way and co-chairs Women United.*

*In addition to running her coaching and consulting practice, she is employed as a part-time Course Facilitator for eCornell at Cornell University in the Diversity, Equity, and Inclusion and Human Resources Leadership learning verticals.*

**Virtual - AI Strategies for HR Leaders: Driving Workforce Efficiency and Innovation**

08:00 AM - 09:30 AM EST

Alicia Kitchen,

programming@keystonehrpros.org

*We're thrilled to invite you to a must-attend session specifically designed for HR professionals! Join us for an insightful and inspiring event that promises to deliver fresh ideas and practical strategies to enhance your HR practices.*

*Join Dr. Jeff Bullock, CEO & Founder of PRISM AI Consultants, for an engaging session designed specifically for HR professionals. This event will explore how AI tools can revolutionize workforce management, improve operational efficiency, and foster innovation within your organization. Learn actionable strategies to integrate AI into your HR processes, from talent acquisition to employee engagement, and discover the transformative potential of AI in shaping the future of work.*

*Presenter: Dr. Jeff Bullock, CEO & Founder of PRISM AI Consultants. With nearly 20 years of leadership experience in both the pharmacy and AI fields, Dr. Bullock specializes in coaching businesses—including HR professionals—to harness the power of AI tools for workforce transformation, operational efficiency, and rapid organizational growth.*

*Don't miss out on this opportunity to connect, learn, and grow with other HR leaders as we explore how AI can drive meaningful change. We'd love to see you there—save the date and get ready to embrace the future of HR!*

*Note that this session will be virtual with links to be sent to those who register closer to the date of the session.*

*To help you plan for Chapter events, we are announcing the dates for our monthly meetings one year in advance! Our general format for monthly meetings is:*

*Registration and casual networking start at 8:00 a.m., when your choice of beverage and breakfast pastries will be available.*

*Each power-packed information session runs from 8:30 a.m. to 9:30 a.m.*

*30 minutes of casual networking will be available after the event. Bring business cards to share!*

*Details about the SHRM PDCs and HRCI credits will be announced after session speakers are confirmed.*

*Starting in November 2024, our monthly meetings will be at the Technology Center directly across from The Penn Stater Hotel & Conference Center. The main entrance and visitor parking are located at the rear of the building.*

*Be on the lookout for event announcements the month before each meeting!*

*PS> If you are interested in specific programming, please submit your requests or suggestions to [programming@keystonehrpros.org](mailto:programming@keystonehrpros.org). Thank you!*
