Introduction to Archery Class

Skookum Archers Club & Range

11209 Shaw Road E

Puyallup, WA 98374

6:00 pm & 7:30 pm

Larry Price, 2534466226

education@skookumarchers.com

On Thursday Nights we offer an introduction to archery class. Designed especially for the new archer, this is the perfect way to experience archery. You are guided through the fun of picking up a bow for the first time (or in a long time) and leave with the confidence of having a well-rounded introduction. All equipment is included, or you may bring your own. The 90 minute session is broken into two parts and it starts with a class that covers safety and equipment, range etiquette, and the fundamentals of how to shoot. After the class, we get participants out to the practice range to start shooting. The class is only required the first time you attend our program so when you come back you get the full 90 minutes to shoot. For more information go to the program page on our website.

Hunter Education - Field Skills Evaluation Class

Skookum Archers Club & Range

11209 Shaw Road E

Puyallup, WA 98374

08:00 AM - 01:00 PM PST

Mike Helke,

hunting@skookumarchers.com

Any person born after January 1, 1972, is required to complete a department-approved course involving at least ten hours of instruction in conservation, safety, and sportsmanship. Classes are taught by WDFW certified volunteer instructors. Classes are offered throughout the year, however, classes in the late summer and fall fill very quickly.

The Department of Fish and Wildlife offers two distinct types of hunter education training opportunities:

The Traditional Course is a multi-day instructor-led training consisting of between 10 and 20 hours of instruction. This format is recommended for young students and people seeking a classroom experience.

The Online Course is a two-part course. The online class is a student-driven interactive web tool teaching the same content as the traditional course. After successfully completing the Online Class, students must complete a four-hour Field Skills Evaluation Class with certified instructors. The online class and the field skills evaluation class together make up the online course.

Skookum's Hunting Director Mike Helke will be offering the Field Skills Evaluation Class portion of the requirement. We have several dates already scheduled for 2019 and we'll update this list if more are added. The class will start at 8:00 am and last until 1:00 pm. You must complete the online portion and bring your Online Course Completion Certificate with you. To register or to find out more information about the Online portion of the course please visit the Washington Department of Fish & Wildlife site.

Course Dates:

April 6, 2019

June 1, 2019

August 10, 2019

For more information please email our Hunting Director at hunting@skookumarchers.com.

Puyallup, WA 98374

6:00 pm & 7:30 pm

Larry Price, 2534466226

education@skookumarchers.com

On Thursday Nights we offer an introduction to archery class. Designed especially for the new archer, this is the perfect way to experience archery. You are guided through the fun of picking up a bow for the first time (or in a long time) and leave with the confidence of having a well-rounded introduction. All equipment is included, or you may bring your own. The 90 minute session is broken into two parts and it starts with a class that covers safety and equipment, range etiquette, and the fundamentals of how to shoot. After the class, we get participants out to the practice range to start shooting. The class is only required the first time you attend our program so when you come back you get the full 90 minutes to shoot. For more information go to the program page on our website.

Paul LaRue was dedicated to promoting the sport of archery. Every year we celebrate his life by hosting a tournament in his honor. All proceeds from the tournament and concessions are donated directly to a charity.

This year we are teaming up with The Pink Arrow Project. This is a charity run by an amazing young lady who is working with Pro Archer Jesse Broadwater to raise money for cancer research. Each year they select a charity dedicated to finding a cure for cancer. All monies donated go directly to funding research, not paying overhead.

We will be having our annual tournament on October 6th, 2018. It will be a 1-Day Safari style tournament & raffle. The club donates all monies received directly to the charity, we do not deduct anything for our cost to put on the tournament.

Adaptive archery is a program specifically dedicated to people with physical disabilities. Our program is designed to expand their access to opportunities that promote physical fitness, health and wellness, increased self-esteem, and greater functional independence. Each Monday evening starting at 6 p.m. our volunteer instructors will be on hand to oversee the Adaptive Archery program at Skookum Archers which will be patterned after our Thursday evening Introduction to Archery Program. The cost is \$7.00 per person for 2 hours of fun and we will provide the equipment, instruction and support for attendees. For more information refer to our program page.

On Thursday Nights we offer an introduction to archery class. Designed especially for the new archer, this is the perfect way to experience archery. You are guided through the fun of picking up a bow for the first time (or in a long time) and leave with the confidence of having a well-rounded introduction. All equipment is included, or you may bring your own. The 90 minute session is broken into two parts and it starts with a class that covers safety and equipment, range etiquette, and the fundamentals of how to shoot. After the class, we get participants out to the practice range to start shooting. The class is only required the first time you attend our program so when you come back you get the full 90 minutes to shoot. For more information go to the program page on our website.
