 - October 21, 2020 *Join Us October 18-21, 2020 for the first Virtual Early Childhood Education Summit*
- We began planning the 2020 Early Childhood Education Summit in January. However, as spring approached the spread of COVID-19 began to impact all aspects of our lives. When our programs and businesses began to close and plans for reopening included restrictions on group gatherings we were unsure what our options would look like come October. Our decision ... host a virtual Summit!*
- The ECE Summit will be a fully Virtual Experience bringing you the same great content in a robust and engaging way. Each day will feature a Keynote session and four tracks of workshop sessions.*
- There will be opportunities to connect with your peers through live chat, to interact with thought-leaders during Q&A and gain the knowledge you need to enrich your professional development in the care and education of young children. PQAS and Act 48 credit will be available.*
