Early Career Meetup

Tuesday, June 10th | Noon - 1pm PST

Join us for our next AEP Early Career Meetup! This monthly virtual session is designed for current AEP members who are new college graduates, just starting out their first role as an environmental professional, or making a career switch into the field later in life. And if that isn't you, we invite you to join anyway — this meetup is open to all AEP members! Our goal is to facilitate connections, learning, and collaborative support across our organization. There's no need to prepare or bring anything along: just come as you are and be part of the conversation.
