2026 AEP Conference: Sands to Shores: Pathways to Thriving Communities
Sheraton San Diego Hotel & Marina
Thursday-Sunday
The San Diego Chapter will host the 2026 AEP Conference at the Sheraton San Diego Hotel & Marina, April 23-26, 2026! The theme of this conference is "Sands to Shores: Pathways to Thriving Communities." The Conference provides attendees with informative and engaging sessions, a sponsor and exhibitor showcase, and multiple networking opportunities. Attendees will have the opportunity to choose from over 40 different sessions under 6 different session tracks, featuring relevant topics ranging from climate change adaptation & resiliency to new tools & AI, and including a handful of single-standing sessions based on law and ethics, students/young professionals, and more!
AICP and MCLE credits will be offered for nearly every session.

Whether you're looking to enhance your career and further your knowledge as an environmental professional or just starting out in the environmental field, this is a conference you won't want to miss!

Don't miss out on the many benefits of attending our annual conference, including career development, networking opportunities, and more!
