ABCEP: Mentor-Mentee Quarterly Meeting - November 6, 2025
ABCEP: Mentor-Mentee quarterly gathering - November 6, 2025 (1:00pm ET)
via Zoom Meeting

Who: Registered Mentors & Mentees...and those seriously interested in future participation in the ABCEP Mentoring Program.

Why: ABCEP's Mentoring Program is a differentiator for our organization. It provides added value for our CEP applicants and for the career development efforts of our CEP-ITs. To increase the program's value, ABCEP is instituting quarterly gatherings with the objectives to share feedback, mentoring tips, and group needs, and to refresh commitments. Secondly, these events will increase networking, collaboration, and face-to-face time through ABCEP's Zoom platform.

When: Thursday, November 6, 2025, 1:00-2:00 pm ET

What: We'll share behind-the-scenes efforts underway to maintain the Mentoring Program in-line with ABCEP's strategic plan, clarify the mentor's two hats and expected roles depending upon the type of mentee - Applicant Advisor versus a CEP-IT Career Coach, and provide a listening session for those experienced with the program to share positives, improvements, tips, and individual stories.

How: Zoom...with cameras on! and some screen sharings.

Host: Jim Yawn - Mentor Program Co-Chair

Registration: Event is free, but we ask that you please sign up so we know who to expect.

ABCEP Zoom Series Information & Networking Session - November 6
ABCEP Virtual Information Session
via Zoom Meeting

*ABCEP Zoom Series – Information & Networking Session
(formally Virtual Happy Hour - it's still 5 o'clock somewhere!)*

We invite you to join us for a casual hour of informal conversation via Zoom Meeting. If you are a current CEP or CEP-IT, a CEP Emeritus, an applicant in the process, or just thinking about earning a new credential come share your story, ask your questions, learn, and have fun.

*Meet CEPs and CEP-ITs
Ask your questions about the application process
Learn about the value of the credential*

*Thursday, November 6, 2025
8pm ET*

These monthly sessions are FREE for everyone, but we do ask that you register (space is limited!) – connection details will then be shared with you.
