Come explore one of L.A.'s most iconic cultural hubs! This guided walking tour of Exposition Park will highlight some of its most beloved landmarks, including the Los Angeles Memorial Coliseum and the Natural History Museum. We'll also check out exciting new developments, like the progress on the Lucas Museum of Narrative Art and the upcoming addition to the California Science Center.

Along the way, you'll learn about the park's fascinating history — from its early days as Agricultural Park to its evolution into a major civic and cultural destination. We'll also dive into how land use and planning decisions have shaped the park's past and present.

Whether you're a local or new to the area, this is a great chance to connect with L.A.'s history and get a behind-the-scenes look at what's ahead for this vibrant space!
