Young Professionals Summit 2026 The Next Wave: Navigating Water Sector Currents

Charlotte Convention Center, Charlotte, NC, March 22-24, 2026

The WEF/AWWA Young Professionals (YP) Summit is the premier water and wastewater industry workshop for young professionals. Join other young leaders by exploring your role in water industry and discussing how you can best serve the water sector at large. This skills-development workshop provides supplemental training and networking opportunities to emerging leaders and students in the water sector. The 2026 event will focus on developing awareness of evolving water sector challenges and opportunities, and build skills specific to emerging leaders in the industry.

Jointly hosted by the Water Environment Federation and the American Water Works Association, this event will allow attendees to:

Foster meaningful peer connections that support career growth and advance the future of the water sector.

Develop interpersonal and leadership skills within the context of the water and wastewater industry.

Broaden understanding of the water sector through increased awareness of industry roles, challenges, and opportunities.

Registration will open January 6, 2026.

YP Summit attendees in Dallas, Texas on February 11th, 2025.
