Increasing Efficiency and Effectiveness in Federal Capital Project Delivery

In light of the current federal focus on efficiency, effectiveness and cost-savings, we have reimagined our August Federal Design-Build Symposium with an exciting new format to highlight how design-build supports these priorities.

Federal Sector Design-Build Industry Days, August 20-21, is tailored to support federal agencies, agencies receiving federal funding and industry partners by offering targeted insights, upcoming project opportunities and meaningful agency engagement.

This refreshed format will create new opportunities for meaningful engagement between federal agencies and industry, offer insight into upcoming federal project solicitations, and deliver targeted education and case studies to improve project delivery outcomes.

PLUS, public and private Owners can register for FREE, Underutilized Business Enterprises (UBEs) receive a special low rate and early bird and advance rates make this event affordable for all roles!
