*Thank you Final Draft Taphouse for hosting again!*

*Now under new ownership- Final Draft is always a go-to for craft brews and ciders in an environment designed to bring community together. The new owner Peyton has worked at Final Draft for a few years, and was the logical choice to take over ownership when the previous owners decided it was time to move on. Come see the new space and enjoy quality networking with 25 - 40 other professionals in East Vancouver!*
