The Big Reveal 2026

Good God, Nadine's

33 Waugh Dr.

Houston, TX 77006

06:30 PM - 09:00 PM CST

This is the night we've all been waiting for. Join us as we reveal our 2026 membership count and announce how much we'll award in transformational grants to Houston-area nonprofits this year.

Every member who said yes, every woman who stepped in and joined the collective, helped shape this number. The Big Reveal is our chance to come together, celebrate what we've built and see the full power of our giving in action.

The evening includes heavy appetizers, dessert bites, and two drink tickets for cocktails, wine, or beer.

Meet The Finalists

The Cherie Flores Garden Pavilion at McGovern Centennial Gardens

11:30 AM - 01:00 PM CST

This is your chance to meet the nonprofit organizations selected as finalists in each of our five focus areas: Arts, Culture and History; Education; Environment and Recreation; Family; and Health and Wellness.

Each finalist will be at their own table, so you can connect with them personally, hear their stories, learn about their work and see firsthand where your giving could make the biggest impact. These are the conversations that bring our grant process to life and help you feel confident when it's time to cast your vote at the Awards Celebration.

A light lunch will be provided.
