- September 9, 2025 **2025 Collection Certification School**
- September 10, 2025 **Bowling Green Municipal Utilities**
801 Center St
Bowling Green , KY 42101
08:00 AM - 05:30 PM CST
CWP-KT is pleased to offer this 2-day course open to operators seeking CEU credit and those approved for the KY certification exam. This 2-day (September 9-10) certification school will be followed by a test day on September 11, administered by the KY Operator Certification Program (OCP).

Please note: Individuals planning to take the KY certification exam must first apply and gain approval from the Operator Certification Program.
- September 12, 2025 **Women of Water - NKY Chapter**
More Details Coming Soon!
Luncheon - Friday, September 12th, 2025

*Chapter Leads: Katie Nolan katie.nolan@greshamsmith.com
 Mindy Scott mscott@sd1.org*
- September 12, 2025 **2025 Kentucky Fall Clay Shoot**
Jefferson Gun Club
660 Gun Club Road
Brooks, KY 40109
09:45 AM - 03:00 PM EST
Enjoy the morning shooting sporting clays, engaging in some friendly competition with fellow water professionals, and supporting our student chapter programs all at the same time! We'll close the event with awards, door prizes, and lunch.

Space is limited, and we expect to sell out again this fall. Register as soon as possible to secure your team's position.

Sponsorship opportunities are available as well (including custom options). Help us support the next generation of water professionals!

*Online registration will close on September 8.
Sponsorship deadline is August 29.*

October 24, 2025

2025 Wastewater Microbiology Series

08:00 AM - 04:00 PM CST

We have an exciting training event to offer you this October, organized by our Laboratory Practices Committee and featuring speaker Toni Glymph-Martin from Wastewater Microbiology Solutions.

Our in-person Wastewater Microbiology Series will cover topics including:

Wastewater Microbiology and Process Control

Filamentous Bacteria Identification & Control

Microbiological Monitoring of Nutrient Removal Systems (Phos & Amm)

A Laboratory Program for Wastewater Microbiology

This is a hands-on training event, and we encourage you to bring your own microscope and sample.

Registration pricing:

Member registration: \$150

Non-member registration: \$200

November 17, 2025
- November 20, 2025
