Effective Arranging for Orchestra: Sean O'Boyle AM - 6PM AEDT

06:00 PM - 08:00 PM EST

Join Guild Patron Sean O'Boyle AM (who was one of the judges for the competition) as he covers different approaches to arranging the three set pieces from the National Youth Arranging Competition.

Adding countermelodies, using different orchestral sections to create accompaniment to melodies, and "thinking outside the box" are crucial to good arranging and securing work in the industry.

Moderated by Guild President Jessica Wells.
