NCSLVA Summer Summit!

Topgolf Charlotte University

9110 Drivers Way

Charlotte, NC 28262

10:00 AM - 02:00 PM EST

Get ready for the NCSLVA Summer Summit! This new event is energizing and designed to bring our association together through education, connection, and experiences you won't want to miss. Whether your goal is to sharpen business acumen, stay ahead of emerging technologies, or build stronger relationships across North Carolina's low voltage industry, this summit delivers meaningful value.

Why You Should Attend:

Practical, education you can take back to your team

Face time with industry leaders, fellow integrators, and event sponsors

Purposeful networking opportunities that spark real conversations

Built-in fun—from great food to Topgolf and more

This is your chance to connect, learn, and grow with fellow NCSLVA members and industry peers.

Spots are limited—register early to secure your place at one of the most anticipated NCSLVA events of the year!

Registration Details:

\$25 for NCSLVA Regular Members who register before 7/9

\$50 per person after 7/9

Non-Member rate: \$125 for Security, Fire, and Low Voltage Integrators

Important Note:

All manufacturers, distributors, and service providers must be an event sponsor to attend. For sponsorship opportunities, please contact Caroline Murphy at Caroline.Murphy@ncslva.org.
