**Webinar: Lunch N Learn: Virtual Financial Benchmarking Webinar presented by Spencer Rog**

**Zoom - Members Only**

12:00 PM - 01:00 PM EST

*Please have lunch and learn with us on March 5th for an important webinar to help you better manage your company's finances!*

*Join us for an exclusive Lunch & Learn designed specifically for company owners, CFOs, controllers, and executive leadership within OSFAA member organizations. This virtual financial benchmarking session is exclusive to OSFAA Member Companies and their employees will provide a high-level, data-driven look at how leading security and fire alarm companies are performing—and where opportunities exist to improve profitability, cash flow, and operational efficiency.*

*Spencer Rogers of Barnes Associates will walk through key financial benchmarks that matter most to executive decision-makers, offering insight into cost structures, margins, labor efficiency, and overall financial health. Attendees will gain practical perspective on how their organization compares to industry peers and how to leverage benchmarking data to support smarter strategic planning and growth decisions.*

*This session is ideal for leaders looking to validate performance, identify gaps, and make informed financial decisions that strengthen their business and position them well for capital infusion or selling the business.*

**Who Should Attend:**

*Owners, CFOs, controllers, presidents, and senior executives seeking actionable financial insight.*

*To Register please contact [Behrens.Watkins@SecureOhio.org!](mailto:Behrens.Watkins@SecureOhio.org)*
