Save the Date! April 25, 2026!

We will continue our exploration of the islands of open space going from Poway to Sorrento Mesa for the 2026 Full Arch Route featuring approximately 45 miles and 5000+ feet of climbing of fun!

The Half Arch will keep it's traditional route starting at Sundevil Way with a lap around Black Mountain then west to Penasquitos. Enjoy 22 miles and 2,100 feet of climbing, with two aid stations to keep you rolling with a smile!

Both routes will permit ebikes (class 1 and 2) as permitted by the land managers whose properties we cross through.

We are proud to have Gravity Heights return in 2026 as our host for the Finish Line Luau. Gravity Heights location offers ample parking for the epic parking lot Finish Line Luau held on top of the parking garage adjacent to the brewery & restaurant. When you roll in from the epic ride you will be greeted with fun, food, vendors, friends and amazing Gravity Heights brews! Families, friends and cheering squads are invited to join in the fun!

*Stay tuned for details as we get closer and SAVE THE DATE!
Registration will open in late January, 2026.*
