You are guided through the fun of picking up a bow for the first time (or in a long time) and leave with the confidence of having a well-rounded introduction. The 60-minute session is designed to give you a fun hands-on archery experience.

We ask that children under the age of 18 be accompanied by a parent or guardian who remains on-site during the class. We also respectfully request that you limit spectators due to space limitations.

Dress appropriately for the weather as our range is covered but you will be outdoors during this class.

Due to our capacity limits pre-registration is required. Please double-check your reminder email for your session start time.

Cancellations or no-shows after 3:00 pm on the day of class will not be rescheduled.
