August 6, 2025  
- August 6, 2025

**"Thriving in a Value-Based World! Inside Secrets from a Medical Director". Lunch & Learn Live Webinar**

12:00 PM - 01:00 PM EST

*The WV Chiropractic Society's 3rd quarter Lunch & Learn will give the attendee a look into Dr. Farabaugh's upcoming lecture at our Fall Seminar, a brief look at what is to come in September. Attendees will delve into clinical risk management and master awareness into the clinical issues while learning to debunk myths related to stroke and the safety of spinal manipulation. This one hour event will provide you with valuable secrets from a Medical Director. Please plan to attend this 1-hr CE event.*

**Speaker Biography:**

*Dr. Farabaugh practiced in Columbus, Ohio, from 1982 to 2018 and currently serves as VP and National Physical Medicine Director for Advanced Medicine Integration Group, LP. He has held prominent roles, including President of the Ohio State Chiropractic Association, Chairman of the American Chiropractic Association's Research Advisory Board, and Councilor for the Council on Chiropractic Education. A prolific contributor to chiropractic research, Dr. Farabaugh has published extensively in peer-reviewed journals and provided expert testimony in over 100 malpractice cases. Recognized with multiple awards, including Chiropractor of the Year, Dr. Farabaugh continues to advance the profession through evidence-based practice and education.*

September 19, 2025  
- September 21, 2025
