Water and Wastewater Fundamentals School

Conference

February 1, 2027 through February 5, 2027

Where: Delta Marriott Northglenn, 10 East 120th Ave, Northglenn, CO 80533

Contact: Bob Dabkowski • bob@process-opt.com • 970.690.9299

The Water and Wastewater Fundamentals School is a basic, comprehensive overview for water and wastewater operators. The goal of the Fundamentals School is to provide education for operators, so they possess a better understanding of the water and wastewater fields. The courses are designed to furnish operators with basic concepts of how treatment processes work and the requirements of government regulations. It is...
